

# Steering Innovation and Cost Savings with Virtual Finance Team

## Your Accounts Team, the easier way!

A VFT provides all the services you would expect from an in-house accounts team without the need to take on additional staff and allocating significant resources.

- 

Do you want to save time and money by offsetting the need for big finance teams? **1**
- 

Do you want your employees to focus more on strategic finance activities than on accounting operations? **2**
- 

Do you want access to the latest accounting technology and industry best practices? **3**

**If yes, then you need**  
**10xDS**  
**Virtual Finance Team!**
